

Eight new 3 & 4 bedroom Vacation Lake Homes built since 2000. They include great rooms lined in knotty pine, dishwashers, microwaves, 1 ¾ baths, electric heat with individual room controlled heating, etc. Some units have fireplaces, center island snack bars, TV/VCRs, etc. The existing five cabins have been remodeled since 1999. Three of our new Vacation Lake Homes are wheelchair accessible with a roll-in wheelchair accessible shower.

Vacation Lake Homes are about 100 to 150 feet from the lake on level ground. Large picture windows (some have 8' sliding glass doors) provide spectacular views of the lake. Charcoal grills and picnic tables are provided on the decks, which extend across the entire front of each vacation lake home. Campfire sites are provided by each vacation lake home. We also have an 8-site campground with water, electrical & sewer hookups.

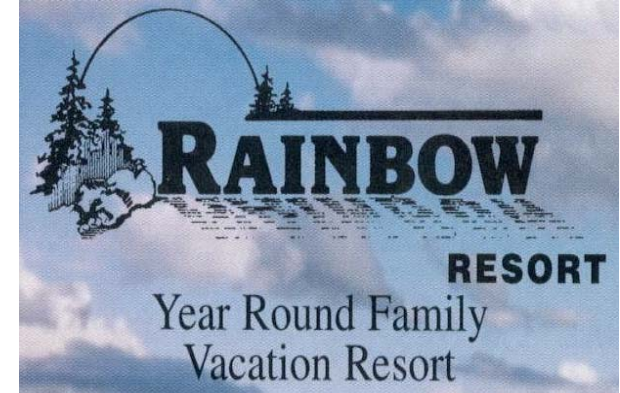

Vacation Lake Homes #2, #8A & #8B are our 3-bedroom vacation lake homes, which are also wheelchair accessible with a ramp entrance and extra wide doors and hallways. Each has a bathroom with handrails and a wheelchair roll-in shower. We offer private hunts on resort property and can accommodate those in a wheelchair or of limited mobility. We will pick you up at your cabin and take you to your hunting stand along our 13 miles of trails on resort property.

We have some of the best grouse hunting in the country with thousands of acres of public land on which to hunt. Early fall is an excellent time to do some grouse hunting and get in some excellent fishing. Our lodge has a short order grill which is open for breakfast, lunch and dinner. We are an electronic licensing center so we can provide all types of licenses for your hunting and fishing party. We also offer guide services including private hunts on resort property.

Thousands of Acres of Public Land in Area

Here is a big walleye caught in February 2002, which weighed nearly 10 pounds. We have fishing boats, motors & pontoons for rent, fishing guides and pontoon tours of the lakes. From our resort you have access to three lakes. Between the three lakes there is close to 1600 acres. We are an electronic licensing center so we can issue any type of license you might need including fishing, hunting, skiing, etc.

Newly remodeled in 2001, our lodge has a short order grill and miscellaneous supplies, including beverages and snacks, groceries, oil & gas, fishing tackle, live bait, ice, etc. The front of the lodge provides a scenic second story view of the lake. Large picture windows extend along the entire front of the lodge so as to provide one with a bird's eye view of the lake. Meal packages are also available for your hunting/fishing group. We also have a recreation center with a game room and coin operated laundry.
