

Eight new 3 & 4 bedroom lakeside Vacation Lake Homes built since 2000. They include great rooms lined in knotty pine, full kitchens with dishwashers and microwaves, 2 bathrooms, electric heat with individual room controlled heating, etc. Some units have fireplaces, center island snack bars, TV/VCRs, etc. The existing five cabins have been remodeled since 1999. Three of our vacation lake homes are wheelchair accessible and include roll-in showers.

Our Vacation Lake Homes are about 100 to 150 feet from the lake on level ground. Large picture windows (some have 8' sliding glass doors) provide spectacular views of the lake. Charcoal grills and picnic tables are provided on the decks, which extend across the entire front of each vacation lake home. Campfire sites are provided by each vacation lake home. We also have an 8-site campground with water, electrical & sewer hookups.

Vacation Lake Homes #2, #8A & #8B are also wheelchair accessible with ramped entrances and extra wide doors and hallways. Each has a bathroom with handrails and a wheelchair accessible roll-in shower.

The children will really enjoy the fishing. The three lakes are excellent pan fish lakes. The water is very clear with almost 12 feet of clarity. It is not uncommon to catch pan fish, bass & northern from the docks. We have a game room, play ground, paddleboats, trail rides, pontoon rides, and all sorts of other things the children will enjoy as well as supervised children's activities.

The children love the swimming beaches (we have two), which are marked off by buoys. We have a RAVE raft and 8' water slide. An observation dock and benches are provided for watching the children have all that fun. One swimming beach is close to the lodge and the recreation center. Cabin #1 and the lodge unit are closest to this beach. Cabins #7A,B & #8A,B are closest to the other beach.

The children really love the playground, which is conveniently located close to the lodge and the recreation center with game room and self-service laundry. Benches are provided so that you can sit and enjoy the scenery while the children play on the playground. The playground is next to the recreation center, which has electronic games, a pool table, chalk board and all sorts of other fun things for the kids. We also have scheduled children's activities during the summer months. The children will also enjoy our paddle boats, which are free of charge.

Here is a nice walleye caught fishing opener May 2004, which was 28 ½ inches in length. We have fishing boats, motors & pontoons for rent, fishing guides and pontoon tours of the lakes. From our resort you have access to three lakes. Between the three lakes there is close to 1600 acres. We are an electronic licensing center so we can issue any type of license you might need including fishing, hunting, skiing, etc. Our resort has shoreline along two lakes and one river.

Newly remodeled in 2001, our lodge has a short order grill and miscellaneous supplies, including beverages and snacks, groceries, oil & gas, fishing tackle, live bait, ice, etc. The front of the lodge provides a scenic second story view of the lake. Use our binoculars to watch the loons, deer, beavers, otters, trumpeter swans, eagles, etc. which frequent the lake. Large picture windows extend along the entire front of the lodge so as to provide one with a bird's eye view of the lake. The lodge makes a great dining/meeting place for company retreats and conferences. Meal packages are available.
